#### Examination Guidelines:

1. PA3 examination will be online for classes 6-8.
2. The students who have opted for offline, in classes 9 and 11, will write the exam in offline mode.
3. The students who have opted for online classes will simultaneously give the exam in online mode.
4. All the students should prepare well for the exam and be ready ten minutes before the exam.
5. Students should keep the required stationery items ready before the commencement of the exam.
6. Students will join the scheduled meeting on the day of examination and will keep their cameras on during the examination.
7. Students are requested to inform the concerned teachers if they are facing problems in uploading.
8. Students should write the answers neatly with black pen.
9. Students should write their name, class and roll number neatly in the top right corner of the sheet of the test notebook.
10. Parents are requested to ensure that students write the exam with utmost sincerity and honesty.
11. During PA-3 regular classes will resume from 3rd period.

Regards  
Principal
